

INTRODUCTION

PROPOSITION: THE ATTACKS ON 9-11 WERE PLANNED BY THE U.S. GOVERNMENT

PREVIEW OF CLAIMS: I will tell you about how Bush was allowed to involve family members, and how there has never been a tall building or structure that has fallen in such a manner from plane crash or even fire.

BODY

CLAIM I: Bush involved his fam.

1. Marvin Bush

- a. **According to Craig Cox a writer & editor w/ awards from Society of Pro Journalists, the Minnesota News Assoc., the Knight Foundation & the Nat'l Press Club** → Marvin Bush(lil'bro)=head of security 4 securacom. "World Trade Center, United Airlines, and Dulles International Airport." Backed by KuwAm a foreign co.(which hes on bord of 2)
- b. **According to Wayne Black head of a security co. n FL.** → It is uncommon for the same co. 2 do both security 4 airport and airline co.

2. Bush's cousin's last minute venue change

- a. **According to Mike Rivero(whos been writing/speaking politically since about 1993 & has a radio show tht airs @ republic broadcasting)** → Jim Pierce, managing director of AON Corps set ^ bush's kuz's biz conf. on the 105th floor of the S. Twr (NY office is there). But grp was "2 big" so moved 2 Millennium Hotel.

**Not only was there obvious signs that the government knew ahead of time, but the towers could not have fallen from plane or fire.*

CLAIM II: Twin towers r 1st of kind to fall from plane crash or fire.

1) The Empire St. Building.

- b. **According to Jennifer Rosenberg(Writer of several encyclopedias)**
→ Empire St. Building was hit by a plane in 1945. Hit 79th floor. Pc.s of plane exploded n2 building 1 pc shot thru & landed on other building. 14 died. 26 injured. Integrity of building=NOT EFFECTED.

2) The Windsor building.

- a. **According to peter Meyer.** → N feb 2005. 32 story building n Madrid, Spain. Burned 4 two days & was completely covered n flames, but still only the top few floors fell into itself.
